UniPortal

Connecting Dreams, Empowering Futures

UniPortal

TEAM :- ERROR-404

Introduction

The UniPortal is a comprehensive platform designed to assist students in exploring higher education opportunities . With a user-friendly interface and advanced features, the portal aims to streamline the process of selecting universities and programs based on individual preferences and requirements.

OBJECTIVE

1.

Provide a centralized platform for students to research and compare universities and programs worldwide

2.

Offer personalized recommendations based on criteria such as Course, Location and tuition fees.

3.

Provides details about College Name, Rating, Courses, City, State, Country ,Fees and Acceptance Rate

Architecture
